Use of INCENSE in our churches. From time-to-time in our churches as part of the ongoing traditional services that we offer the burning of incense takes place. Also, to dispel the damp and musty smell that sometimes lingers in old buildings incense might be burnt. The Ordinate congregation that uses St Paul's also, as part of their tradition, regularly burn incense. Incense has been burnt for centuries as part of Jewish and Christian worship, is often referenced in the Bible, and is used to venerate, bless and sanctify and as a sign of our prayers ascending to God. For some people a large amount of incense may cause discomfort and in such cases we seek to reduce the amount of incense, ventilate the building and help people to be seated near a door or source of clean air.
