St Mary's Hall

The ideal modern venue
for your group meeting
or special family event

THE PARISH OF ST MARY & ST PAUL
HEMEL HEMPSTEAD

St Mary's Hall is a multi-purpose community hall and garden conveniently located in Hemel Hempstead's historic Old Town and beside the recreational amenities at Gadebridge Park.

There is ample car parking in a public car park nearby.

St Mary's Hall facilities are available for hire and many community groups and small businesses use the hall on a regular basis for social functions, receptions, meetings, art classes, talks, yoga and pilates classes and children's groups.

The Hall benefits from a large carpeted entrance lobby leading to a bright and airy hall and kitchen with a serving hatch.

The hall has been recently upgraded and refurbished to a high standard and has a hardwood polished floor and fully equipped modern kitchen.

The hall entrance has ramped access for wheelchair users and benefits from male and female separate WCs and a disabled toilet and baby changing facilities.
