Our churches stream services to YouTube

By sitting in one of the marked front pews you may appear in the live stream. If you do not want your image streamed please sit further back.

Moving from Zoom to YouTube

Having bedded in the streaming processes at St Paul's, we will move from Zoom to YouTube in the coming weeks for our online services. There will be no Zoom or YouTube on the 14th August, as we have too many people away. The first YouTube stream going forward will therefore be on the 21st August. To find this, visit our website or search for "St Mary and St Paul Hemel Hempstead" in YouTube and subscribe to the channel. Alternatively you can find the channel by using this link:

Services at St Mary's & St Paul's during August

Please note, all service times remain unchanged during August with some weekday services being lay led due to clergy holidays.

StoMP Magazine Summer edition

We are aiming to publish the next edition of StoMP magazine by the end of September. If you would like to contribute something to its pages please let Gordon or Jeff have your piece by Sunday 25th Sep at the latest but preferably earlier if possible.

Free First Aid Training

There are two training places available for first aiders for members of St Mary's congregation. There are a number of these being offered in the High St in memory of Anthony Mills and we have been offered two places in September by the Old Town Traders Association (HOTTA). It would be good if we could find two people to take these up.

You will need to be someone who is a fairly regular member of the St Mary's congregation and also agile enough to get down on all fours for resuscitation training.
