## Andrew's fundraising cycle rides for DENS

Thank you so much to all those who have sponsored me so far. Last weekend I drove to Inverness and cycled round Loch Ness in damp but not too bad weather. It took me around four hours and was great fun, especially coming down the mountain. The official photos are available at this link:

That's the first ride completed, now looking towards May when I attempt the Hemel Hillbuster. It's not too late to sign up to ride yourself, however if you prefer to let me do the riding and you do the donating my fundraising page is here:
